WRIT QUO WARRANTO⁴

"It will be an evil day for American Liberty if the theory of a government outside supreme law finds lodgment in our constitutional jurisprudence. No higher duty rests upon this Court than to exert its full authority to prevent all violations of the principles of the Constitution."

[Downs v. Bidwell, 182 U.S. 244 (1901)]

COMES NOW THE CONSTITUTED⁵ UNIFIED⁶ COMMON LAW⁷ GRAND JURIES⁸ of the fifty united States of America, this evil day;

WE COMMAND all County, State, Federal and US Supreme Court judges and clerks to perform their duty guaranteeing to every state in this union a republican form of government⁹ and protect each of them against invasion¹⁰, or vacate your office now.

WHEREAS; We the People in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, did ordain and establish the Constitution for the United States of America that all Judges and all members of the Government both state and Federal are lawfully bound to obey¹¹, DECREE THAT:

We the People have been providentially provided legal recourse to address the criminal conduct of persons, themselves entrusted to dispense justice. The grand jury is an institution separate from the courts, over whose functioning the courts do not preside thus, the People have the unbridled right by law and in law to empanel their own grand juries and present "True Bills" of information, indictment and presentment

⁴ **QUO WARRANTO**. In old English practice. A writ, in the nature of a writ of right for the king, against him who claimed or usurped any office, franchise, or liberty, to inquire by what authority he supported his claim, in order to determine the right. It lay also in case of non-user, or long neglect of a franchise, or misuser or abuse of it; being a writ commanding the defendant to show by what warrant he exercises such a franchise, having never had any grant of it, or having forfeited it by neglect or abuse. 3 Bl.Comm. 262.

⁵ **CONSTITUTED** - The People of each county have come together to agreed and declared a return to Common Law Juries.

⁶ **UNIFIED** - Every county in the state has constituted the Common Law Juries.

⁷ **COMMON LAW** - Article VI - This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.

⁸ **COMMON LAW GRAND JURY** - Amendment V No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury...; The Court of Appeals' rule would neither preserve nor enhance the traditional functioning of the grand jury that the "common law" of the Fifth Amendment demands. UNITED STATES v. WILLIAMS, Jr. 112 S.Ct. 1735; 504 U.S. 36; 118 L.Ed.2d 352

⁹ **Article IV Section 4**. The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.

¹⁰ **INVASION**. (Blacks 4th) An encroachment upon the rights of another; the incursion of an army for conquest or plunder. Webster. See /Etna Ins. Co. v. Boon, 95 U.S. 129, 24 L.Ed. 395. CONSTITUTIONAL LIBERTY OR FREEDOM. Such freedom as is enjoyed by the citizens of a country or state under the protection of its constitution; the aggregate of those personal, civil, and political rights of the individual which are guaranteed by the constitution and secured against invasion by the government or any of its agencies. People v. Hurlbut, 24 Mich. 106, 9 Am.Rep. 103.

¹¹ **Article VI**. This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.

to a court of record, which is then required to commence a criminal proceeding. Our Founding Fathers with foresight grafted into the common law Fifth Amendment a "buffer" the People may rely upon for justice, when public officials, including judges go rogue, act in bad behavior and criminally violate the law.¹²

THE PRIME DIRECTIVE

The prime directive¹³ ordained by the American People purposed their government to (1) form a more perfect union,¹⁴ (2) establish justice, (3) insure domestic tranquility, (4) provide for the common defense, (5) promote the general welfare, and (6) secure the blessings of liberty to ourselves and our posterity.

10 The subsequent violent felony acts of war by our servants against the aforesaid prime directive (1) debilitates the union of the American People, (2) establishes injustice, (3) undermines domestic tranquility, (4) renders the People vulnerable to foreign and domestic enemies, (5) destabilizes the general welfare, and (6) annihilates the blessings of liberty to ourselves and our posterity.¹⁵

15 Common-sense can only conclude that there are forces within our servant government conspiring war and subterfuge against the American People by denying the very republican form of government¹⁶ that they took an oath¹⁷ to protect and defend against all enemies foreign and domestic. Thereby it is the duty of all oath-takers to take a stand now, obey and defend the Constitution, and assist the People in arresting and terminating the following unconstitutional acts, by simply obeying the law of the land and acknowledging the unalienable right of the People to self-govern. Therefore judges everywhere are commanded "AGAIN" to obey the law of the land and sign the attached mandamus. The excuse "we are only following orders" did
20 not stand in Nuremberg and it most certainly "will not stand here." To prove our conclusion, let facts be submitted to a candid world:

- ❖ Our servants have refused Assent to Laws, the most wholesome and necessary for the public good;
- ❖ Our servants have trodden upon the rights of the People;
- ❖ Our servants have passed legislation destructive to the Constitution, forbidden by the same;
- 25 ❖ Our servants have exposed We the People to all the dangers of invasion from without, and subversion from within;
- ❖ Our servants have obstructed the laws for illegal-alien who are flooding our nation with foreign insurgents some hostile destroying our economy and putting at risk the security of our States;

¹² UNITED STATES v. WILLIAMS, 112 S.Ct. 1735, 504 U.S. 36, 118 L.Ed.2d 352; No. 90-1972. Argued Jan. 22, 1992. Decided May 4, 1992.

¹³ Preamble to the Constitution for the United States of America - We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.

¹⁴ A perfect union of states but a "more perfect union" among the People, anti-federalist papers, Bruno.

¹⁵ Declaration of Independence - We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

¹⁶ Article IV Section 4. The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion;

¹⁷ Article VI The Senators and Representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation, to support this Constitution;

- ❖ Our servants have obstructed the Administration of Justice, by refusing acquiescence to laws established for Judiciary powers;
- ❖ Our servants have transformed judges into chancellors dependent upon the will of the BAR Guild alone, a society of mercenary economic corporate hit men-Esquires¹⁸, resolute on destroying common law, the foundation of America;
- ❖ Our servants have erected a multitude of 4th Branch administrative agencies unaccountable to the Constitution, and sent hither swarms of corporate administrative, disobedient to the Constitution, revenue and code enforcement officers to harass our people, and eat out their substance;
- ❖ Our servants have kept among us, in times of peace, Standing Armies and excessively militarized local police forces without the Consent of the People;
- ❖ Our servants have joined with foreign bankers to subject us to a jurisdiction foreign to our Constitution, and unacknowledged by our laws; giving assent to their acts of pretended legislation;
- ❖ Our servants are secretly accommodating large bodies of armed foreign troops among us;
- ❖ Our servants have imposed a multiple of property-robbing taxes, direct taxes, fees and fines on us without our Consent;
- ❖ Our servants have deprived us of the benefits of honest Trial by Jury;
- ❖ Our servants have deprived us of the benefits of unrigged Grand Juries;
- ❖ Our servants have transported us into chancery courts to be tried for pretended offences;
- ❖ Our servants have enlarged its boundaries under the guise of District of Columbia (10 mile square federal city) so as to render it at once an example and fit instrument for introducing absolute rule into these States;
- ❖ Our servants have arrogantly disregarded our Bill of Rights, abolishing our most valuable laws, altering fundamentally the Peoples form of government, without consent;
- ❖ Our servants have declared power to legislate through executive order, without consent;
- ❖ Our servants have waged War against us;
- ❖ Our servants have plundered our manufacturing base, ravaged our small businesses and destroyed the lives of our people;
- ❖ Our servants have excited domestic insurrections amongst us;
- ❖ Our servants have engaged in human trafficking of our children and elderly through courts;
- ❖ Our servants have engaged in Racketeering and extortion through our courts;
- ❖ Our servants have held mock trials in courts not of record and thereby unlawfully incarcerating and financially fleecing millions of People, denying due process;
- ❖ Our servants have empanelled bogus puppet grand and petit juries in order to perform BAR will and profiteering;
- ❖ Our servants have stolen our homes in rem and fraud assisting bankers in double-dipping;
- ❖ Our servants have kidnaped our children and destroyed our families in family courts;
- ❖ Our servants have robbed our parents, turned their twilight years into nightmares and destroyed our families in probate court;
- ❖ Our servants have turned our common law courts into chancery courts of injustice;
- ❖ Our servants have put People in debtors prison;

¹⁸ **ESQUIRE.** In English law. A title of dignity next above gentleman, and below knight. Also a title of office given to sheriffs, serjeants, and barristers at law, justices of the peace, and others. 1 Bl.Comm. 406; 3 Steph.Comm. 15, note; Tomlins. On the use of this term in American law, particularly as applied to justices of the peace and other inferior judicial officers, see *Christian v. Ashley County*, 24 Ark. 151; *Corn. v. Vance*, 15 Serg. & R., Pa., 37.

- ❖ Our servants have transformed our unalienable rights into crimes violating at every stage our Bill of Prohibitions, serving the BAR and not the People:
 - Against Amendment I our servants have prohibited the free exercise of Judeo-Christian religion, our servants have denied free speech, our servants have commandeered the press, our servants have denied our right to petition the government for a redress of grievances;
 - Against Amendment II our servants have dismantled the Militia and closed our armories, our servants have denied the right of the people to keep and bear arms;
 - Against Amendment IV our servants have violated our privacy using bogus warrants, spying on the people, eavesdropping on our conversations and unlawfully maintaining files on the People to be used during the planned unlawful martial law to target dissenters and enslave the People;
 - Against Amendment V our servants have accused People in courts not of law incarcerating millions with corrupt Grand Juries and forcing People to witness against themselves, our servants have deprived millions of life, liberty, or property, without due process of law, our servants have seized private property under rem and caprice;
 - Against Amendment VI our servants have denied millions of People trials by an impartial jury, our servants have denied assistance of counsel unless they were BAR co-conspirators of the court to stealthily deprive People of their unalienable rights;
 - Against Amendment VII our servants have denied suits at common law, our servants have denied trial by jury, our servants have denied the Peoples heritage, common law;
 - Against Amendment VIII our servants have imposed excessive bails, fines, cruel and unusual punishments for behaviors that are not crimes;
 - Against Amendment IX our servants have denied scores of other unalienable rights retained by the people;
 - Against Amendment X our servants have corrupted government at every level and have turned sovereignty of the People into a crime.

At every stage of these oppressions we have petitioned for redress in the most humble terms. Our repeated Petitions have been answered only by repeated injury. Servants whose character is thus marked by every act which may define a Tyrant, is unfit to be the stewards of a free People; we therefore command you to repent and obey the law of the land or face the wrath of We the People.

Preparation for war by executive legislation

*"Necessity is the plea for every infringement of human freedom.
It is the argument of tyrants; it is the creed of slaves". - William Pitt*

Most executive orders end with the phrase "these executive orders don't define what specifically constitutes a national emergency." The following executive orders are just a few of 1000's of executive orders, without authority, that are preparing to take full control over the lives of every man, woman and child in America, under the guise of necessity, these provide for:

- 1) Martial law (executive order #100, aka Lieber Code, 1863);
- 2) Formation of the FBI (executive order, 1908);
- 3) Presidential closing of all the banks in the country (executive order, 1933);

²⁹ **Preamble** We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America. **Article IV Section 4.** The United States shall guarantee to every state in this union a republican form of government

~~WAR AGAINST THE PEOPLE BY JUDICIARY~~

RICO. 18 USC § 1962 - Prohibited activities (c) It shall be unlawful for any person employed by or associated with any enterprise engaged in, or the activities of which affect, interstate or foreign commerce, to conduct or participate, directly or indirectly, in **the conduct of such enterprise's affairs through a pattern of racketeering activity or collection of unlawful debt.**

The Judiciary denies constitutionally constrained courts of Law and operates under the name of equity when in fact People are hijacked unawares into chancery courts,³⁰ to settle unlawful corporate monetary issues, ruled by Chancellors³¹ a/k/a Judges that have been banned in the United States since 1789.³² The People ordained Law and Equity both of which must adhere to the Law of the Land (common Law) Article VI.³³ The 7th Amendment provides for suits at common law.³⁴ The Fifth Amendment provides for all criminal charges to be by indictment or presentment by a common law grand jury.³⁵ See United States v Williams.

• ~~WE THE PEOPLE~~ HEREIN ~~DECREE~~ CHANCERY COURTS NULL AND VOID •

³⁰ **COURT OF CHANCERY.** A court having the jurisdiction of a chancellor; a court administering equity and proceeding according to the forms and principles of equity. In England, prior to the judicature acts, the style of the court possessing the largest equitable powers and jurisdiction was the "high court of chancery." In some of the United States, the title "court of chancery" is applied to a court possessing general equity powers, distinct from the courts of common law. *Parmeter v. Bourne*, 8 Wash. 45, 35 P. 586; *Bull v. International Power Co.*, 84 N.J.Eq. 209, 93 A. 86, 88. The terms "equity" and "chancery," "court of equity" and "court of chancery," are constantly used as synonymous in the United States. It is presumed that this custom arises from the circumstance that the equity jurisdiction which is exercised by the courts of the various states is assimilated to that possessed by the English courts of chancery. Indeed, in some of the states it is made identical therewith by statute, so far as conformable to our institutions. *Wagner v. Armstrong*, 93 Ohio St. 443, 113 N.E. 397, 401.

³¹ **CHANCELLOR.** (Blacks 4th) In American law, this is the name given in some states to the judge (or the presiding judge) of a court of chancery; The Lord high In England, the highest judicial functionary in the kingdom; He exercises many functions and powers over and above the jurisdiction which he exercises in his judicial capacity in the supreme court of judicature, of which he is the head. Wharton.

³² **Article III Section 2** The judicial power shall extend to all cases, in law and equity, arising under this Constitution, the laws of the United States ...

³³ **Article VI** This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.

³⁴ **Amendment VII** In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise reexamined in any Court of the United States, than according to the rules of the common law.

³⁵ **Amendment V** No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury

³⁷ JUDICIAL COGNIZANCE. Judicial notice, or knowledge upon which a judge is bound to act without having it proved in evidence. [Black's Law Dictionary, 5th Edition, page 760.] Jurisdiction is the authority by which courts and judicial officers take ognizance of and decide cases. [Board of Trustees of Firemen's Relief and Pension Fund of City of Marietta v. Brooks, 179 Okl. 600, 67 P.2d 4, 6; Morrow v. Corbin, 122 Tex. 553, 62 S.W.2d 641; State v. Barnett, 110 Vt. 221, 3 A.2d 521, 526;]

Government servants have been entrusted with the Peoples business and some have abused their power to enslave or sell the American People as cattle. The BAR has beguiled you with power, compartmentalized many, others have turned a blind eye for filthy lucre and some are just useful idiots.

Therefore it is conclusive that there are 21 powers given to our legislatures, 9 powers given to the President, 21+ prohibitions and all courts are to act only under common law. Among these powers nowhere can it be found authority from the People to perform any of the aforementioned unconstitutional acts or to create statutes controlling the behavior of the People, private corporation administrative acts and rules, a/k/a corporate charters are ~~HEREIN~~ **DECREED NULL AND VOID**.

Judges rest upon fraudulent appellate court rulings and statutes that are repugnant to the Constitution while they convince themselves that by following such statutes they are immune from penalties should the People become aware of their fraud. Take notice we are aware of the fraud and your feeble response is misguided and subject to serious legal consequences should you choose to remain silent and fail to act.

Because rights are unalienable, legislators cannot legislate (abolish) them away no matter what the BAR has instructed you. Rights come from God and not man; therefore not even the People can give them up for themselves or others. Once we the People ordained common law the law of the land no man can abrogate it; to claim to do so is an act of war against the People and their God.

Unconstitutional acts are not law³⁸ and no one is bound to obey them.³⁹ Judges are expected to maintain a high standard of judicial performance⁴⁰ and when they violate the Constitution they cease to represent the government,⁴¹ become liable for damages⁴² and lose any immunity they may think they have.⁴³ *"State Judges, as well as federal, have the responsibility to respect and protect persons from violations of federal constitutional rights."*⁴⁴ *"Decency, security and liberty alike demand that government officials be subjected to the same rules of conduct that are commands to the citizen;"*⁴⁵ *"Judges have no more right to decline the exercise of jurisdiction which is given, than to usurp that which is not given. The one or the other would be treason to the Constitution."*⁴⁶ *"No judicial process, whatever form it may assume, can have any lawful authority outside of the limits of the jurisdiction of the court or judge by whom it is issued; and an attempt to enforce it beyond these boundaries is nothing less than lawless violence."*⁴⁷

³⁸ "An unconstitutional act is not law; it confers no right; it imposes no duties; affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed." **Norton vs Shelby County 118 US 425 p. 442**

⁴⁵ "Decency, security, and liberty alike demand that government officials be subjected to the same rules of conduct that are commands to the citizen. In a Government of laws, existence of the government will be imperiled if it fails to observe the law scrupulously. Crime is contagious. If government becomes a lawbreaker, it breeds contempt for the law...it invites every man to become a law unto himself...and against that pernicious doctrine, this court should resolutely set its face." **Olmstead v U.S., 277 US 348, 48S; 48 S. Signed and so ORDERED by the People under SEAL, November 10, 2014:

Grand Jury Foreman

IN THE UNITED STATES DISTRICT COURT
FOR _____

~~WRIT OF~~ MANDAMUS

The United States District Court for _____ district of _____ State orders all State, County, City, Town, and Villages Judges; Court Clerks; County Clerks; County Sheriffs to obey the Law of the Land;

Article VI Clause 2. This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.

The United States Constitution guarantees to every state in this union and the People thereof, a constitutional republican form of government that the judiciary and all oath takers must obey.

Therefore all State, County, City, Town, and Villages Judges; Court Clerks; County Clerks; County Sheriffs and United States Marshals are so ordered as follows:

- i. All State, County, City, Town, and Village Judges and clerks are to obey the law of the land specifically defined in Article VI Clause 2
- ii. All State, County, City, Town, and Villages Judges and clerks are to obey under penalty of 18 USC §2071, law of the land, are not to conceal, remove, mutilate or misfile any record, proceeding, paper, document, or other thing filed by the Common Law Grand Juries with the court clerk or county clerk.
- iii. All Federal, State, County, City, Town, and Villages Judges and clerks are to obey under penalty of 18 USC §1512, law of the land, are not to alter, destroy, mutilate, or conceal an object with intent to impair the object's integrity or availability for use in an official proceeding; or intimidate, threaten, or corruptly persuades another person to withhold a record, document, or other object, from an official proceeding; or obstructs, influences, or impedes any official proceeding.

- iv. All clerks under penalty of 18 USC §2076, law of the land, are to file and are not to refuse or neglect to make or forward any report, certificate, statement, or document from the common law grand jury and all judges are to act upon them as required by law.
- v. Sheriffs took an oath to support and defend the United States Constitution, consequently as per Article VI clause 2 the Laws of the United States are to be obeyed. Therefore upon command under seal of the 5th Amendments Common Law Grand Jury concerning violations, by judges, clerks, prosecutors or any other elected or appointed official of 18 USC § 2071, 18 USC §1512, 18 USC § 2071, 18 USC § 2076 or any other law of the fifty United states of America are to arrest the same for said offences.
- vi. Should the Sheriff fail to perform his duties, upon command under seal of the 5th Amendments Common Law Grand Jury concerning said violations the United States Marshal shall arrest the Sheriff and the Under Sheriff shall perform said duties in the Sheriff's stead.
- vii. Finally, the grand jury is an institution separate from the courts, over whose functioning the courts do not preside, no "supervisory" judicial authority exists. It is a constitutional fixture in its own right belonging to no branch of the institutional government, serving as a kind of buffer or referee between the Government and the people. The grand jury operates in the courthouse and under judicial auspices, operating at arm's length from the judicial branch". The Fifth Amendment's "constitutional guarantee presupposes an investigative body 'acting independently of either prosecuting attorney or judge, unfettered by technical rules. Therefore judges and clerks have no authority to prevent, obstruct or interfere with the peoples' necessary compensation and access into the courts, 18 USC §1512b, in order to operate in the courthouse for the administration of the Common Law Juries.

SO ORDERED AND ADJUDGED
